The BEQUAL Community of Practice is expanding. The BEQUAL project results will be transferred to Bulgaria, Italy and Turkey in the newly approved transfer of Innovation project **BEQUAL+**

With BEQUAL+ project, the portal and the benchmarking tool will be made available in Bulgarian, Italian and Turkish, the Community will expand to include more VET institutions from the new countries, the benchmarking tool will gather more entries - benchmarks, the selection of good practices will be enriched. In parallel, we will continue to enrich the portal with articles, interviews and blog entries, so as to foster discussion on quality assurance issues and promote international cooperation and exchange of experience in quality assurance.

BEQUAL+ is led by the [National Agency of Vocational Education and Training \(NAVET\)](#) of Bulgaria. Partners are:

[Industry Watch Group](#)

from Bulgaria,

[IDEC](#)

from Greece,

[Development for Vocational Technical Education Centre \(METGEM\)](#)

of University of Bahcesehir in Turkey,

[Development Agency of Empoli \(ASEV\)](#)

, Italy.

The kick-off meeting will take place in Sofia on 10-11 of November 2011.
